

Hakuba Local Rules

白馬ローカルルール

The Hakuba Local Rules are official rules for the safety of all visitors to the Hakuba Valley and its ski resorts.

- 1** “No Skiing Zones” are areas where very dangerous avalanches are easily triggered. These areas are off limits. Violators will lose their lift privileges.
*The Ski Patrol will occasionally enter “No Skiing Zones” to conduct safety checks and do avalanche control work.
- 2** Passing beyond boundary ropes, nets, and signs is strictly prohibited. We ask guests to observe all posted signs and warnings, and to follow the instructions of the Ski Patrol.
- 3** The mountains beyond ski area borders are National Park land, and not managed by the ski areas. Venturing outside ski area boundaries in winter is extremely dangerous.
- 4** Any accident outside ski area boundaries that requires the search and rescue efforts of the Ski Patrol or the Kita-Alps Northern Mountain Safety Bureau will be at the full expense of the individual(s) requiring assistance.
- 5** All guests must follow the instructions of Ski Patrol and other authorities both within and outside the ski area.
- 6** It is the responsibility of all guests to consider not only their own safety, but also the safety of others, at all times.
