# APRES SKI

**Après Ski** is French for after ski & often skiers stop off at a mountain restaurant or café to have a drink before their last ski. In Japan, après ski culture is ski, onsen, izakaya, usually in that order, so we say Jap-rès Ski! Whatever après ski you decide on the day, we have more options on the mountain for you to unwind or refuel. Corona Escape Terrace, Pilar Café & Sun Terrace Panorama are some of the mid-mountain viewpoints to enjoy Jap-rès at Happo-one.

**Social & Entertainment** can be enjoyed locally at Echoland, Wadano & nearby Hakuba Station. Omachi City is 30 minutes from Hakuba & has plenty of authentic izakaya restaurants. Check the timetable for the night shuttle bus or train service to Omachi at Happo Information Center.
